Dr. David Shellberg
Executive Vice President for Instruction and Student Services
College of Western Idaho
P.O. Box 3010
Nampa, ID 83653

Dear Executive Vice President Shellberg:

This is to certify that the Northwest Commission on Colleges and Universities (NWCCU) is the regional institutional accrediting agency for colleges and universities in the states of Alaska, Idaho, Montana, Nevada, Oregon, Utah and Washington. The Northwest Commission on Colleges and Universities is recognized as a reliable authority on regional, institutional accreditation by the United States Department of Education.

This letter serves to verify that the College of Western Idaho, located in Nampa, Idaho, has been accredited continuously by NWCCU since receiving initial accreditation in 2016. The Northwest Commission on Colleges and Universities accredits the College of Western Idaho at the associate degree level. The Commission most recently reaffirmed the accreditation of the College in 2016 on the basis of an initial accreditation comprehensive evaluation. The College's next comprehensive evaluation is scheduled for fall 2023.

The institutional accreditation of the College of Western Idaho includes all its educational offerings.

I hope this information is helpful. Please contact me if you have questions regarding the College's accredited status with the Northwest Commission on Colleges and Universities.

Sincerely,

Elsa J. Gossett
Coordinator, Communications and
External Relations
